

DECLARATION (TO BE SUBMITTED ON THE LETTER HEAD OF THE COMPANY)

We, M/s hereby agree and undertake to abide by the following:

- a) We agree that the Company will maintain and provide all technical information to the Ministry and CREDA or to any other agency authorized by them, including information on daily solar radiation availability, hours of sunshine, duration of plant operation and the quantum of power fed to the grid etc. The project developer will install suitable instruments, meters and data loggers for this purpose.
- b) We agree that we will not use any other source of power generation along with Solar PV power project at the same project site for feeding power to the grid.
- c) We agree that we will allow representative from MNRE / CREDA and any independent organization authorized by MNRE / CREDA to inspect as well as to study performance of the plant from time to time
- d) We agree that the Ministry has a right to modify the guidelines at any time.
- e) We agree to abide the guideline / procedures announced by Ministry and CREDA.
- f) We agree to abide by the laws and other regulatory requirements announced by the local bodies, Central and State Government from time to time
- g) We agree to make timely payment of all fees, taxes and other charges to the local bodies/State and Central Government, as applicable for implementation of the project at the project site.
- h) We agree to complete the installation and commissioning of the grid interactive PV power project within the stipulated time frame, as intimated by the Ministry/CREDA.
- i) We agree to comply and fully meet all safety related requirements for setting up a grid interactive PV power plant and feeding power to the grid from the plant.
- j) We are eligible and we have not been debarred for receiving any grant from the Central Government.
- k) We do not have any outstanding dues to be paid to CREDA for any other project taken up by any Of our group companies.
- l) We agree to abide by any condition(s) as to be stipulated during approval of the project.

The above information as submitted by us is true to the best of our knowledge. In case any information given by us in this application or attached documents is found to be false we understand that the Ministry may not consider our proposal for generation based incentive and debar us from consideration of incentive for any other project for which we are an applicant.
